

- OPP 0100**  
Power supply 100 W
- for OxX-series
  - 100 W output power
  - 11 separate outputs
  - 2A current limit on all outputs
  - 7.5V outputs
  - Input voltage range 94-264V
  - Mounting in 19" base unit (OBU 0100)
  - Easy installation
  - High efficiency

- OSP 0110**  
Power supply 15 W
- for single OxX-series module
  - Max 25 W output power, 15W continuously
  - 3.2A current limit
  - 7.5V output
  - Input voltage range 94-264V
  - High efficiency

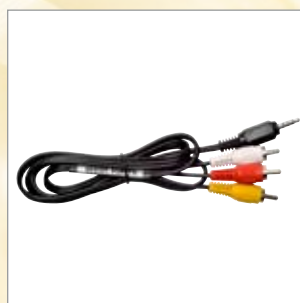

- OBU 0100**  
Base unit
- A base unit for OxX-series modules
  - Fits 7 modules + power supply (power supply for max. 5 modules)

- ODCC 100**  
DC-cable for OPP 0100
- Cabling for connection between power supply OPP 0100 and modules in OxX-series. (approx. length 80 cm)

- OWM 0200**  
Wall mount kit
- For OxX-series modules
  - Easy installation of single units

- OAVC 100**  
Audio/video cable

**OALC 025**  
ASI cable 250 mm  
BNC - BNC

**OALC 100**  
ASI cable 1000 mm  
BNC - BNC

**OCP 0220**  
Cover plate 20 mm

**OCP 0250**  
Cover plate 50 mm
